Chamber of Construction Industry of Sri Lanka

CCI was established on 16th October 2001 and later incorporated on 24th March 2003 as a company limited by guarantee with 7 founding member Institutions and Associations. At present the following Institutional Members represent the construction industry in this Chamber.

- Institution of Engineers Sri Lanka
- Sri Lanka Institute of Architects
- Institute of Quantity Surveyors Sri Lanka
- Institute of Town Planners Sri Lanka
- Surveyors Institute of Sri Lanka
- Institute of Valuers of Sri Lanka
- Association of Consulting Engineers Sri Lanka
- Society of Structural Engineers Sri Lanka
- Ceylon Institute of Builders
- National Construction Association of Sri Lanka
- Major Constructors of Sri Lanka
- Insurance Association of Sri Lanka
- Lanka Ready-mix Concrete Association
- Green Building Council of Sri Lanka

Since 2019 CCI is statutorily incorporated under an Act of Parliament as the apex representative body of all stakeholders in the construction sector.

In addition there are over 300 companies & agencies who are members of CCI.

The growing conviction that the capacity of the Construction Industry which has great potential to stimulate economic growth, is not properly harnessed largely contributed to the formation of CCI as the apex representative body of construction industry.

The Chamber as a statutorily incorporated body cannot declare profits or dividends to the members. The Chamber is administered by a Board of Management and a Council elected by the Members along with the Secretary General / CEO. All the stakeholders of the construction industry are very well represented in the Council, which is the main policy making body.

CCI is now positioned as the “Main Voice” on issues affecting the Construction Industry and is committed to protecting and promoting the construction industry. We endeavor to mediate wherever possible on issues faced by our members. It also acts as a facilitator of investments on construction related development projects.

The Chamber enjoys a consultative status with the Government, Multilateral Development Banks and International Funding Agencies among many others.

Vision

To lead the Construction Industry, Sri Lanka towards developing excellence in the Built Environment to meet the challenges of the 21st Century World

Mission

Be the exclusive voice for the Construction Industry Sri Lanka to provide a safe, high quality, sustainable and eco-friendly Built Environment.

EVENT SEGMENTS OF BUILD SL 2024

Build SL 2024 - Housing & Construction Expo is organized by the Chamber of Construction Industry Sri Lanka (CCI), as the apex representative body of the construction sector, with the objective of providing a platform to the construction industry stakeholders to display their products, services, new technologies and capabilities to the potential customers and general public. In addition this Expo will highlight the recent development projects undertaken in the country with an insight towards the plans for building a new Sri Lanka.

This 19th Exhibition will be held from 10th to 12th of May 2024 at BMICH with the participation of the Stakeholders representing different sectors of the Construction Industry. A major attraction will be the international pavilion with the participation of 80 foreign companies.

BUILDING & CONSTRUCTION MATERIALS

What makes the Difference

Our objective is to empower both General Public and Industry stake holders to achieve the common goal to fast developing Sri Lanka overturning the negative impacts of COVID 19 pandemic. We understand the interconnection of each stream related to construction.

That is exactly why we have projected build SL 2023 as a resolution to fulfil all construction needs under one roof!

Exhibitors will get the opportunity to select the desired location to set up and display their stall and thus attract the most number of visitors to their stall. Also, this will be an ideal platform for networking with foreign companies.

Visitors could view all the possible combinations to fulfill individual wishes
